## ROYAL CASH WHEELER

By NAISAA KHEDIA  
REPORTER

This thespian is the secretary of choir, an active swimmer on CHS' swim team, and has now won a spot on homecoming court's top two. Cash Wheeler is a heavily involved student through various organizations on campus; it was only to be expected that he would be nominated by his fellow peers and elected as Royalty.

"I'm really excited; I'm happy that people like me enough to have chosen me to be on court this year," Wheeler said. "It would be incredible to win but I don't have to, it's not that important to me. I'm just happy to be on court."

Post-graduation, Wheeler would like to attend college at either Cal Poly Pomona or Pitzer and plans to major in both tech and regular theater. He enjoys all aspects of theater, from building sets behind the scenes to performing lines on the stage, and continues to participate in both tech theater and acting in the future. As he gets ready for college, he reflects on his own high school experiences and what he hopes the freshman can take away from it.

"I still do this too but my advice would be to not freak out that much, don't worry too much because that will just make school a hell of a lot worse," Wheeler said.

Theater, choir, and swim are all big time commitments but, nevertheless, Wheeler makes the most of his free time. He enjoys drawing and creating art. As a performer himself, his favorite movie is Iron Giant. He also enjoys animated and horror flicks and loves listening to rock bands including TWRP, Foxboro Hot Tubs, and Hellacopters.

Wheeler thinks of his senior beach day as his best memory of high school. He fondly remembers being there with everyone he knew. He particularly enjoyed when all the seniors were burying each other in the sand and playing football afterwards.

Lastly, Wheeler would like to give a shout to Max Dvorak whom he refers to as "the best friend he could have ever asked for."

## ROYAL JOJO WREN

By KATRINA GRISWOLD  
REPORTER

With her bright personality and ardent involvement on campus, Jojo Wren has what it takes to be Homecoming Royalty. She is involved in both Interact Club and Key Club, the two major volunteer clubs on CHS campus, as well as varsity volleyball, teaching kids through ArtStart, and welcoming freshmen to the CHS community with Link Crew.

She is also a true lover of the environment, which she demonstrates by volunteering at the Claremont Botanical Gardens outside of school, and in school through her involvement in Claremont High's Environmental Action and Awareness Club.

Another one of her passions is art. From crafting, to food, to music, many of Wren's favorite things to do in her off time revolve around some form of art. After high school, she hopes to attend a four-year college to study both art and environmental science.

Wren hopes to be able to use her position on homecoming court to make a positive change on CHS's campus.

"I'm excited about sharing what I'm passionate about and what kind of things I do in my life to hopefully inspire others to pursue their passions," Wren said.

Wren would like to give a special shout out to her boyfriend, Jonah, who is an honorary member of court in her heart. As she finishes her senior year, she leaves the freshmen with a piece of advice.

"Make the most of your time in CHS and make as many memories as possible," Wren said.

She plans to do so the rest of the year.
