Congratulations to the class of 2023's Top Ten!

Luka Emadi

College: UC San Diego
Major: Undeclared
Favorite memory: Performing Bound 2 by Kanye West with the Beatboxing Club at Claremont's Club and Culture Fest my junior year.

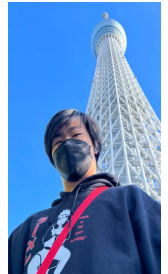

Jonah Tharpe

College: Boston University
Major: Undecided, potentially pre-med
Looking forward to: Discovering new people, new places, and new ideas. I can't wait to explore college and a new world of possibilities after high school.

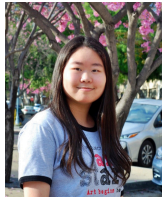

Benjamin Schulz

College: UCLA
Major: Biophysics
Shoutout to: My mom and dad both teach biology which helps and the teachers Mr. Tucker, Mrs. Lee, Mr. Easton, and Mrs. Bodnar.

Katelyn Chung

College: Occidental College
Major: Biology or neuroscience
Favorite memory: My favorite memory was spending a spontaneous summer with my best friends. Also, watching the teachers getting pied at the central quad would be the highlight of my highschool memory as well.

Inside the 2023 Senior Issue...

Students staying local on page 2

San Antonio graduates on page 9

Collegiate athletes on page 14 and 15

Bridget Brodie

College: Pomona College
Major: Philosophy, Politics, Economics
Favoite memory: Getting Saturday school. No lol probably speech and debate swag tournaments where I get to share a hotel room with my best friends.

Angelina Alkhouri

College: UCLA
Major: Human Biology
Looking forward to: I look forward to all the memories to be made this summer and in college! I hope to grow as an individual and branch out by experiencing more.

Jojo Wren

College: New York University
Major: Collaborative Arts & Environmental Science
Favoite memory: I loved October 2022, being a part of homecoming, varsity volleyball, and the craziness of the IB program.

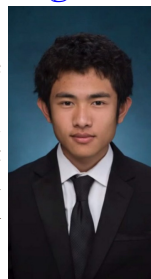

Michelle Chiu

College: Cornell University
Major: Engineering or compsci
Shoutout to: Thank you to my Mom for keeping me alive and my brothers for always encouraging me to do STEM.

Sam Wang

College:UCB
Major: Data Science
Favorite Memory: My favorite high school memory is that of entering high school – everything seemed new and exciting.

Gabe Korr

College: Hampshire College
Major: Undeclared
What does "top" ten mean to you: Nothing. Competition for grades is really harmful and you can read about why in Alfie Kohn's book "No Contest: The Case Against Competition." I didn't have to work hard to get top 10 and that's unfair.
